

Weekly Bulletin – November 7th -14th

Henry Ford Academy: Elementary School Families:

We are excited to announce the start of HFA: Elementary School **Academic Enrichment After School Program** on Monday, November 26th. The program will take place Monday-Thursday from 4:30pm-5:30pm. You will receive more information about the after school program next week.

Early Pick-Up

We continue to experience a high number of parents picking up students before the 4pm dismissal time. Parents, early dismissal disrupts the learning environment of your child and their peers. If you have any questions or concerns please feel free to contact me.

Reminder:

Parents please remember that we have a new dismissal system. **Students in grades K-2 AND those who have siblings or students who ride home together will be picked up from the main entrance. Students in grades 3-5 without siblings will be dismissed from the entrance near the playground on Calvert St.** Students will line up outside and wait to be picked up so please be sure students are dressed appropriately for the weather. In the case of rain or extreme cold weather students will be dismissed indoors.
